DESCRIPTION:

Please note this solicitation is not ready to be issued as of this date. The Embassy of the United States in Uzbekistan will launch the solicitation on the

<https://uz.usembassy.gov/embassy/tashkent/procurement-and-contracting/> website when it is available.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation on January 24, 2021.

The Contractor shall travel to the NEC site and meet with the Post staff to survey and conduct physical tests to assess the condition of building envelope components that include, but are not limited to façade components, doors and windows, and all other items associated with the existing deficiencies or the repair of these deficiencies.

The Contractor shall provide documentation that includes measurements of the existing structures and conditions, north arrow, photographs, video, moisture meter readings, thermographic data, test cut data, written description of components, drawings, cost estimates, and scheduling

Advance payments are not authorized.

Successful offerors shall be registered with the SAM (accessed through www.sam.gov) prior to contract award.

Again, this solicitation will be issued via this website - no paper copies will be mailed.

The Government intends to award a contract resulting from this solicitation to the lowest priced technically acceptable offeror who is a responsible contractor. The Government may award the contract based on the initial offer without discussion. The resultant contract will be a firm fixed price type contract.

Electronic Submission/Responses:

No electronic offers will be accepted. Please mail your offer to the contracting office listed in this notice prior to the response date and time.

All contractors have to be registered in the SAM (System for Award Management) Database <https://www.sam.gov> prior to contract award pursuant to FAR provision 52.204-7. Therefore, prospective offerors are encouraged to register prior to the submittal of quotations/proposals.

The guidelines for registration in SAM are also available at:
